## Reports

The Derby County football skills classes have commenced and the children are enjoying the experience so far.

Margaret attended the safeguarding children training which is a requirement of OFSTED. Margaret Whyte is the designated senior person should any concerns be raised and the deputy is Fay Younger.

Merci to Salli for organising the French cafe, "Chez Class Deux" all the children had a good opportunity to put their conversation skills to practise.

Jane Penny raised £45 through her project on planning, budgeting and shopping for cooking. Thanks to all who helped Jane and the children, they achieved a lot of knowledge and skills and experienced putting these into a real project.
